

Photographer Wanted

- 1) Photographer who is willing to drive to Schaumburg IL to take about 16 quick Headshots (professional looking photos) for our company's linked in page.
- 2) Take one group photo

This would be a paid opportunity, but I'd want to discuss it with the candidates first before settling on price. The hours of the photo shoot would have to be on a Tuesday – Thursday week day so that we are all here. Some leave as early as 3:30 and I'm not sure when students are free but if anyone is free on certain days to come out mid-day that would be great. If not, I could ask people to stay late but probably not past 4:30p.m. We are flexible with timing but would like to get this done by mid October is possible.

If anyone is interested, I can be reached at 312 343 4055 (Paige)
