This schedule lists the major performances and band activities for the year. All members of the Wind Ensembles are expected to participate in their respective dress rehearsals and performances as an outcome of their curricular coursework in the class. Unexcused absences will result in a lowered grade as outlined in the music department policies.

The above schedule is subject to change. Any changes or additional performances will be communicated far in advance via email, band website, online district calendar, and handouts in class. *Please note that the arrival time for students is generally one hour before the concert time listed
