

NEW TRIER TOWNSHIP HIGH SCHOOL DISTRICT 203

To commit minds to inquiry, hearts to compassion, and lives to the service of humanity.®

December 1st, 2017

Dear Parents and Students of the Class of 2022:

As the registration process for New Trier High School continues, we are excited to meet our future Trevian families in person! In January, we invite incoming parents and students to participate in our **Academic Life Nights**. These are important kickoff meetings where you will receive information to help select classes for next year, meet our academic leadership team, and have an opportunity to ask questions about our program at the Northfield Campus.

The meetings begin with a general session in the **Cornog Auditorium**, located in Building E at the Happ Road main entrance to the Northfield Campus. The introductory session will be followed by a question and answer session in the cafeteria, where representatives from each department can answer questions about the curriculum. The Academic Life program will be repeated at four different sessions; due to the limited seating in our auditorium, we highly encourage you to attend the session to which you have been assigned alphabetically by last name. Packets containing registration materials will be arranged in alphabetical order in the auditorium lobby. Please allow enough time to pick up your packet before entering the auditorium for the general session. If you are unable to attend your assigned session, please attend one of the other sessions. **You do not need to call us to verify this change.**

The Academic Life sessions are listed below:

Session 1	Wednesday,	January 10	7:00- 8:30pm	A – E
Session 2	Thursday,	January 11	5:30- 7:00pm	F – K
Session 3	Thursday,	January 11	7:15- 8:45pm	L -- R
Session 4	Tuesday,	January 16	7:00- 8:30pm	S – Z

We look forward to seeing both parents and students at the Academic Life meetings in January to begin the exciting transition process. **If you have not yet completed the Infosnap registration forms that were sent via email in November, please submit them as soon as possible.** If you have questions about the registration process or have misplaced your Infosnap information, please contact registrar@nths.net.

Also, do not forget that this letter and others we will send throughout the year are available at our Incoming Freshmen web page, <http://www.newtrier.k12.il.us/incomingfreshmen/>. You can also find upcoming events, forms, and other helpful information there!

We wish you the best of luck for a very successful eighth grade year.

Sincerely,

Paul Waechtler
Principal

Gail Gamrath
Assistant Principal
