FALL LEARN to ERG

For students (13 years old and over) and adults new to the sport
Tuesdays, September 5 – October 17, 2017, Winnetka
Wednesdays, September 6 – October 18, 2017, Northfield
Space is limited so sign-up early!

500 meter splits, strokes per minute, Power-10's and leg drive will all be part of the new rowing jargon you learn as part of this class. If you have prior rowing experience, you will be appropriately challenged to maintain proper technique while increasing your physical fitness. *You will not be required to row a 2,000-meter test piece but will learn how to:*

- *Adjust the ergometer ("erg") properly before rowing*
- *Row with proper technique so you don't injure yourself*
- *Apply power most effectively*

You'll understand that dipping your hands, shooting your slide or opening your back early is not desirable. You'll learn that suspending your body weight on the end of the erg is desirable.

Tuesday LEARN to ERG classes will be held at the **New Trier High School Winnetka Campus Rowing Room**, located just off of the stairwell at the south end of the field house.

Wednesday LEARN to ERG classes will be held at the **New Trier High School Northfield Campus, B-Commons**. Classes will be led by New Trier High School rowing coaches. Wear tighter-fitting shorts (biker style) and a t-shirt. Bring a water bottle.

To sign up, go to NewTrierExtension.org, **indicating the sessions you are signing up for x \$20** per class or complete this form and send with payment, **indicating the sessions you are signing up for**. Students must register prior to attending class. **No refunds.**
