

## NEW TRIER ROWING CLUB

### REGATTA FEES?

Regatta fees are assessed each season to pay for hotels and food for each Regatta. The fees are essential for the team to travel and compete at Regattas.

#### “REGATTA FEE DUE DATE”

Fees are due 5 days after Rosters are announced. Once Rosters are announced, notification of fees due and a PayPal payment link will be emailed to the parent contact provided on the tryout form. A reminder email will be sent following the initial email with PayPal information.

**Nonpayment of fees will result in a rower not being able to travel to Regattas until full payment is received. Delinquent fees will carry forward from previous seasons.**

If financial assistance is needed, please contact [treasurer@newtrierrowing.org](mailto:treasurer@newtrierrowing.org)  
All inquiries are confidential.

If fees have not been received 4 days after the REGATTA FEE DUE DATE, a reminder email will be sent to the parent contact(s) on the tryout form.

If fees have not been received 7 days after the REGATTA FEE DUE DATE, a letter will be sent to the parent contact(s) requesting payment.

If fees have not been received 14 days after the REGATTA FEE DUE DATE (7 days after the first letter has been sent), a second letter will be sent.

If fees have not been received 21 days after the REGATTA FEE DUE DATE (7 days after the second letter has been sent), the rower's Coach will be notified that the rower will be unable to travel until fee payment is received.

**NOTE:** Fees to cover any scrimmages unique to one team, i.e., SRAA Nationals and Head of the Charles, will be assessed in addition and separately to those rowers attending. Nonpayment of these fees will also result in a rower not being allowed to travel.
