

## What does it cost to row for New Trier?

### NEW TRIER ROWING CLUB

We hope the following cost **estimates** will help you to budget for your rower over the upcoming season. There are three different costs:

**1) Regatta Fees** are assessed each season to pay for USRowing fees, regatta fees, food for each regatta, hotels and airfare (when applicable), the annual banquet held in the spring, equipment replacement needs and administrative expenses. The fees are essential for the team to travel and compete. Rowers are advised to bring pocket money if an unplanned food stop is needed as well as for purchasing a momento (t-shirt) from the regatta.

2) **Uniforms** required of all rowers. Separate uniforms are required for JV/V and Novice teams.

3) **Costs** associated with **additional regattas** only selected rowers attend.
