September 2018

Dear New Trier Parents,

Now that we have begun the new school year, we wanted to reach out to thank you for your continued support of the New Trier Parents' Association (NTPA). You will be receiving the NTPA Quick Guide and brochure in the mail this fall—they will be a helpful resource when questions arise throughout the year, including information and instructions for connecting to this year's online school directory - **A to Z** - which is will be available in September! You will also be getting information via email and posted on our webpage, as this is another service the NTPA offers to its members.

The leadership of the NTPA consists of approximately 100 volunteers, recruited and organized by grade. Additionally, over 300 parent volunteers serve as Adviser Room Representatives who provide support to the Advisers and supply the important communications link to the parent community. Please look over the brochure to familiarize yourself with all that your NTPA does to fulfill its mission each year, as **we provide funding and volunteers to sponsor and support a host of school-wide activities.**

We are fortunate to have an active and enthusiastic group of parents at New Trier and invite your participation and support by volunteering (www.newtrier.k12.il.us/ntpa/) and by making a donation. Thank you, in advance, for your kind support.

Sincerely,
Sophia Kondos and Laurie Kutsche
NTPA Co-Presidents
