CLUBS

DON'T FORGET MODEL UN: Model UN is an exciting club dedicated to learning about international issues as you represent a country in a friendly debate. We meet Thursdays after school until 4:15 pm in Room 467. There are still spots available for our last conference of this year in April. As a reminder, if you are signed up for either Chicago or Berkeley conferences, per charter rules, you need to be attending the meetings prior to our departure. Everyone, though, is welcome. It is a great way to meet new people and learn terrific speaking skills. Plus, you can be in on the planning for next year's conference schedule. Where would you like this club to travel to next? Your opinion is important to us! Strom
