December 2019

Dear Parents and Students of the Class of 2024:

As the transition process to New Trier High School gets started, we are excited to meet our future Trevian families in person! In January, we invite incoming parents and students in the Class of 2024 to participate in our **Academic Life Nights**. These are important kickoff meetings where you will receive information to help select classes for next year, meet our academic leadership team and ask questions about our program at the Northfield Campus.

The meetings begin with a general session in the **Cornog Auditorium**, located in Building E at the Happ Road main entrance to the Northfield Campus. The introductory session will be followed by a question and answer session in the cafeteria, where representatives from each department can answer questions about the curriculum. The Academic Life program will be repeated at four different sessions – two per night. **Due to the limited seating in our auditorium, we highly encourage you to attend the session to which you have been assigned alphabetically by last name.** If you are unable to attend your assigned session, please attend one of the other sessions. **You do not need to call us to verify this change.**

The Academic Life sessions are listed below:

Session 1	Wednesday, January 8	5:30- 7:00 pm	A - F
Session 2	Wednesday, January 8	7:15- 8:45 pm	G - La
Session 3	Tuesday, January 14	5:30- 7:00 pm	Le - Sa
Session 4	Tuesday, January 14	7:15- 8:45 pm	Sc - Z

We look forward to seeing both parents and students at the Academic Life meetings to introduce you to all of the exciting academic offerings at New Trier. **If you have not yet completed the Power School Enrollment forms that were sent via email in November, please submit them as soon as possible.** If you have questions about the enrollment process or have misplaced your Power School enrollment information, please contact registrar@nths.net.

Please remember that this letter and others we will send throughout the year are available on our Incoming Freshmen web page, <http://www.newtrier.k12.il.us/incomingfreshmen/>. You can also find upcoming events, forms, and other helpful information there!

We look forward to seeing you in January and we wish you the best of luck for continued success in your eighth grade year.

Sincerely,
