

Dear Class of 2024 Parent,

On behalf of the New Trier Parents' Association, we look forward to welcoming you to the Class of 2024. As the parent of a New Trier student you automatically become a member of the NTPA - no extra forms to complete!

Every Parents' Association functions through the volunteering and generosity of the parents and the Class of 2024 hopes to function in a similar manner. We have a wealth of opportunities for parents to become involved that suit various interests and time availabilities. Opportunities range from chaperoning a school dance for a few hours to the Officer roles of the 2024 Class Board.

Volunteering with the NTPA offers a fabulous opportunity to learn more about the workings of our school, to meet parents from across the Township and to be a part of your student's school life during a time when these chances diminish significantly!

Please volunteer early and often! Enclosed is a volunteer form which we will use to form the Class of 2024 Board starting in April 2020. Feel free to return the form in 1 of 3 ways:
