

Transportation Registration SY 2019-20

Dear New Trier families,

New Trier High School provides bus transportation services through Alltown Bus Service, Inc. If you would like to register your student for bus transportation for the 2019-2020 school year please go to the Transportation website <https://newtrier.revtrak.net/Transportation>. On this site, you can register online with Discover, MasterCard or Visa. The deadline for registering for bus service is **Friday, July 5, 2019.**

In order to best serve the needs of the District and families, bus routes will be developed after the **Friday, July 5** deadline. Routes will be determined based on the locations of families needing bus service. Bus stop information will be shared in August. Please keep monitoring your email for further updates. Bus passes will be sent to the advisers for distribution to the students during the first week of school.

You may find more information regarding AM and PM bus routes, PACE Bus Services, campus shuttle buses and after school activity buses on the Transportation page of the New Trier website.

Thank you,
