

MESSAGE TO NEW TRIER ATHLETES

Dear Trevians,

I hope you are all doing well and staying healthy. Normally at this time of the year, we are eager and full of excitement to begin the Spring athletic season. However, that is not the case as we navigate through these unfamiliar times.

I want each of you to know that the New Trier Athletic Department continues to put students at the center of all decision-making, and we are working behind the scenes in hope of a healthy and successful return to practices and competitions. As you know, we will not resume practices or competitions until Monday April 13th at the earliest. Please remember, this may change as the situation remains fluid.

Most of all, I want to encourage you to practice social distancing and staying virtually connected to your teammates and coaches during this time. Also, if you have any questions or the need to speak with someone, please do not hesitate to contact me. I am available via email if needed.

Take care and looking forward to seeing all of you soon,

Augie Fontanetta

Athletic Director
