

NEW TRIER TOWNSHIP HIGH SCHOOL DISTRICT 203

September 2019

Dear Parents/Guardians:

The New Trier Model UN has begun their season and your son or daughter has expressed interest in participating in the Model UN. We are looking forward to having another great year, providing an opportunity for students to attend conferences around the country. You will soon be asked to sign up for any and/or all the conferences, so please feel free to contact us should you have any questions. *We will also host a parent night for you should you be interested in hearing more about the program.* Be sure your child lets you know the date.

Enclosed in this packet is an acknowledgement form regarding the rules and responsibilities for membership in this club. You and your student will need to fill out the attached student profile and medical information forms which will be kept all year and then shredded. A separate trip sheet will be issued with the specifics for each conference prior to that conference. This trip sheet will provide hotel addresses, airline information and a tentative schedule. All forms will be linked to the Model UN website which is linked to the student activities website.

For each conference, in addition to your student, you also will be signing the application which also acts as permission for your child to attend the conference. To participate in these conferences, students must attend and participate in at least 3 of the prior 4 meetings up to the date of the conference. We recognize that many students are involved in activities that may prevent them from attending year-round; feel free to select a conference that meets your scheduling needs. A list of dates is also enclosed in this packet to help in your decision-making.

It is important to remember that your signature on each application also demonstrates your financial commitment should your student decide not to attend. Each participant will be responsible to pay for his or her portion of the conference, hotel and registration fee, as well as any airline tickets which may be procured on his or her behalf.

Thank you for your willingness to support your student in his/her interest in this exciting club at New Trier.
