

Class of 2020 Final Transcript Q&A

Q. Who do I contact if I forgot my Naviance username or password, or if I cannot log in to my account?

A. Please contact the Post-High School Counseling assistants:

Ms. Perlongo: perlongt@newtrier.k12.il.us or Ms. Abdulaziz: abdulazl@newtrier.k12.il.us

Q. If I would like to defer my enrollment, what do I need to do, and should I still send my final transcript?

A. A deferment form should be available on the school's admissions portal. You will need to complete that electronic form as well as send a final transcript to the college where you are deferring your enrollment. If a form is not available, reach out to your school prior to their posted deposit deadline to clarify if a deferral is possible.

Q. What happens if I am offered a spot off of a wait-list or I need to change my final destination for some other reason after the school year ends?

A. You may contact your Post-High School Counselor or Ms. Perlongo at any time over the summer and a final transcript will be forwarded to your new destination.

Q. What should I do if I am not ready to make a final decision right now or my colleges have extended deadlines to June 1st?

A. Notify the PHSC office as soon as you make a final decision by contacting your counselor and/or Ms. Perlongo. Understand that a final transcript will not be forwarded until our office receives notice of your decision.
