## FD MealPlanner

We are pleased to announce that we will be launching a state-of-the-art platform to your cafes. This platform will bring menu planning, nutrition data, and real-time information to your fingertips. The new menu viewing interface, FD MEALPLANNER, will provide you the below capabilities in both web and mobile applications.

## APP FEATURES

### MENU ITEMS

Search for and view all available menus for your cafeteria.

### NUTRIENTS

View ingredients and nutrition information for all menu items.

### RATE YOUR FOOD

Rate and comment on menu items and make your voice heard!

### BUILD A MEAL

Combine multiple menu items together to see the total nutritional content of your meal.

### NOTIFICATION

View announcements and see what's "cooking" in your café!

### PROFILE

Save your profile and preferences so you can quickly access your menus!

## VISIT OUR WEB PLATFORM

The web platform is accessible through [www.fdmealplanner.com](http://www.fdmealplanner.com) and can also be downloaded free for **iOS devices** through the Apple Store and for **android devices** through Google Play. Just search for **FD MealPlanner** in the app store.
