

New Trier Health Services Welcomes Class of 2023

Students starting school August 2019: Documentation of a current health exam (done within 12 months of first day of school) and evidence of state mandated immunizations are required.

Students attending summer school classes and summer sports programs: Documentation of current health exam (done within 12 months of first day of school) and evidence of immunizations are requested before starting summer classes.

School year athletes trying out for a fall, winter, or spring sport: Please make sure the current health exam is on file in Health Services before tryouts.

Health Forms Due Dates

May 15	Health exam and immunization record due for students attending summer school.
August 1	Health exam and immunization record due for school entry August 2019.
August 26	First Day of School. Health exam and immunization record past due.
October 15	Exclusion day for students not in compliance.
May 15, 2020	Dental exam forms due.

Forms also available at:

<http://www.newtrier.k12.il.us/HealthServices/>

State of IL Certificate of Child Health Exam Form: Required exam to be completed by physician and parent. Please note any health conditions, disabilities and medications taken on a regular basis.

Medication Authorization Form: Any medications administered or carried at school require both **medical provider and parent** signatures, including over-the-counter medications. Students may carry Epinephrine, Benadryl, insulin, and inhalers with a signed medication authorization form on file. Generic Tylenol, Advil, and Benadryl are stocked in Health Services and can be administered with this written consent.

NEW! State of IL Proof of School Dental Exam Form: By May 15th of their freshman year, students in grade 9 are required to have a dental exam on file. School dental examinations must have been completed within 18 months prior to the May 15 deadline.

Forms can be mailed, faxed or emailed to either campus. Please keep a copy for your records. Contact Health Services at either campus with questions or concerns.
