2030

Board of Education  
December 17, 2018

# Goals of Strategic Planning

## New Trier 2030 should:

- Provide direction and focus for the district's future work
- Clearly communicate our priorities and provide a structure to report progress to the community
- Establish goals that will help us make our school even better for all current and future students

# New Trier 2030

**1** A Different  
Type of Plan

**Dynamic  
Responsive  
Living**

**2** Strategic  
Goals

**Meaningful  
Representative  
Lasting**

**3** Strategic  
Process

**Annual  
Targeted  
Prioritized**

# Overview of Process

New Trier 2030

- Process
  - Establish Mission and Vision
  - Establish Framework Areas
  - Identify Core Values and Beliefs
  - Identify and Prioritize Goals
- Who was involved:
  - Planning Committee
  - Framework Committees
  - Community Input
  - Staff Input

# Mission and Vision

To commit minds to inquiry, hearts to compassion and lives to the service of humanity.

By creating a culture in which students discover purpose in their intellectual, creative, social, and interpersonal endeavors, we will develop in every graduate the skills and dispositions to lead meaningful, compassionate, and impactful lives.

New Trier 2030
