

NEW TRIER TOWNSHIP HIGH SCHOOL DISTRICT 203

To commit minds to inquiry, hearts to compassion, and lives to the service of humanity.®

December 2022

Dear Families of the Class of 2027,

As we continue the transition process for the Class of 2027, we are excited to meet our future Trevian families in person! In January, we invite incoming parents and students to attend our **Academic Life Nights**. These are important kickoff meetings where you will hear about our academic offerings and receive information to help select classes for next year. This will also be an opportunity to pick up a folder with essential materials to help with your student's course selections. In lieu of the academic fair in the cafeteria from past years, we will be posting department specific FAQ videos on our [Incoming webpage](#). These videos will answer the most frequently asked questions by incoming families and will be available as an ongoing resource throughout the course selection process.

Academic Life nights will be in the Cornog Auditorium, located in Building E at the Happ Road entrance to the Northfield Campus. The program will be repeated at four different sessions on two evenings in January. Please do your best to attend the session to which you have been assigned alphabetically by last name. If you cannot attend your assigned session, you may choose an alternate. ***You do not need to contact us if you wish to attend a different session.*** If you are unable to attend any of the sessions, a recording of the Academic Life presentations will be available on the [Incoming Webpage](#) after January 19th.

The Academic Life sessions are listed below:

Session 1	Thursday,	January 12	5:30- 7:00 pm	A - F
Session 2	Thursday,	January 12	7:15- 8:45 pm	G - K
Session 3	Tuesday,	January 17	5:30- 7:00 pm	L - R
Session 4	Tuesday,	January 17	7:15- 8:45 pm	S - Z

All communications we send throughout the year are available on our [Incoming Freshmen web page](#). Our [Countdown to New Trier Transition Calendar](#) and other important information can also be found on the Incoming web page.

We look forward to seeing all of you at the Academic Life meetings in January. We wish you the best of luck for continued success in your eighth-grade year.

Sincerely,

Paul Waechtler
Principal, Northfield Campus

Gail Gamrath
Assistant Principal, Northfield Campus
