

## Advanced Placement Psychology Summer Reading for 2022-2023 School Year

### **7 1/2 LESSONS ABOUT THE BRAIN**

**By Lisa Feldman Barrett, PhD**

ISBN 978-0-358-15714-4

Welcome to A.P. Psychology! This summer, you are expected to read a book that will serve as an introduction to our survey of psychology.

This required reading for A.P. Psychology is renowned neuroscientist Dr. Lisa Feldman Barrett's second book that consists of 7 short essays intended to demystify the "big grey blob between your ears." Dr. Barrett is among the top 1 % most-cited scientists in the world for her revolutionary research in psychology and neuroscience. Her writing is witty, engaging and accessible. The perfect summer read!

It is expected that all A.P. Psychology students will have **read and annotated this book, have the book with them on the first day of class, and be ready to discuss and take an evaluation by the end of the first week.**

**We look forward to seeing you in the Fall!**
