Welcome to the 2022-2023 Spring Sports Guide

The New Trier Booster Club is pleased to provide you with a complimentary copy of the Spring Sports Guide.

Dear New Trier Parents,

This past year we were treated to an impressive reminder about the superlative athletic accomplishments of the New Trier students and the school's athletic and intramural traditions.

New Trier teams and athletes won at the conference, sectional, regional, state and national levels! More varsity and intramural teams/sports were created and existing ones rose to new levels. It is an honor and a pleasure to send our children to and to be involved with a school whose students, teams, and athletes are so consistently successful.

Athletics and physical activity are vital to our childrens' social, emotional, and of course, physical health. The Booster Club strives to support all NT students by enhancing varsity athletics through equipment purchases and more significantly by planning, organizing and funding all of New Trier's intramural sports opportunities.

We feel a strong commitment to do what we can to support New Trier, its fantastic faculty, and student body. The New Trier Booster Club (NTBC) and now the New Trier Junior Booster Club have supported NT athletics & intramurals for over 29 years (previously as the Dads' Club), and we intend to continue that mission. With your help, with funds we raised during the 2022-23 school year, we contributed a record \$141,000 to the New Trier Athletic Department for items that fell outside of the annual Athletic Department budget:

We provided a new four person boat for the rowing teams, a football JUG machine, a Dr. Dish shooting machine for the girls' basketball team, a portable crease for the boys' lacrosse team, a FreeLap eStarter for the track team, RBX ankle and wrist weights for cheerleading and a Bola Hockey machine to assist in training the girls' field hockey goalies. For the benefit of the athletic department as a whole, we funded the purchase of a portable sound system, new stadium windows in the east side press box, a new fixed sound system at Duke Child's field, and all new record boards in the new gym to replace the existing championship banners.

In addition to the \$141,000 in equipment, thanks to your support, the Booster Club was also able to donate \$75,000 towards the renovation of Gates Gym this year which brought our three year total gym contribution to \$250,000.

NTBC generates most of our funding from annual membership dues. As such, we would greatly appreciate your joining as a new member or renewing your membership for another year. Please visit our website at www.NTBooster.com to view our membership levels in detail, to join or renew your membership, find intramural information and on-line registration, and find out more about NTBC volunteer opportunities.

A big thank you, once again, to our Principals, Paul Waechtler and Denise Dubravec, and Athletic Director, Augie Fontanetta, as well as our hundreds of coaches and intramural volunteers. On behalf of our parent board of volunteers, thank you for your continued and future support and involvement. We look forward to seeing you supporting our teams this coming school year! Go New Trier!

Ryrie Pellaton
New Trier Booster Club President 2022-2023

Wishing all of our athletes a great season! The 2023 New Trier Booster Club Board

Our Mission

To promote school spirit, healthy competition and collegiality among the students at New Trier Township High School by supporting, encouraging and promoting interscholastic athletic teams and clubs, intramural athletic programs and other extracurricular activities for the students.

2022-2023 New Trier Booster Club Accomplishments

The Booster Benefit Committee sincerely thanks everyone who contributed to the wildly successful Booster Benefit this year. **We raised \$81,500!**

The Booster Club supports the intramural and sports programming at New Trier. One aspect of support includes fulfilling coaches' wish lists of items their team needs. This year, for the first time ever, we raised enough money to provide every single wish list item and still contribute to the new gym.

We were able to provide:

- **Baseball Scoreboard**
- **Field Hockey Bola Machine**
- **Rowing Hudson 4+**
- **Football Jug Machine**
- **Basketball Dr. Dish Shooting Machine**
- **Lacrosse Portable Crease**
- **Cheerleading stunt stand and RBX weights**
- **Track and Field Freelap eStarter**

GET YOUR SPIRITWEAR!

This year, the NT Boosters Club is excited to offer new Spiritwear along with fun ways to customize and make 'merch' just the way you like it! Join us at home Varsity Football and Soccer games this Fall, along with Girls and Boys Varsity Basketball games this winter and get your Trevian Spiritwear! Can't get to a game or looking for something else? Check out our new website with tons of great gear! humankind.shop/collections/spiritwear-new-trier

Classic and trendy styles along with new designs to choose from! Pick your product, pick your logo, even pick your sport!! (All sports included!) Have some fun making it yours- it couldn't be easier! Items can be picked up locally or shipped right to your home! Get in the spirit all while helping the NT Booster Club give back to the school!

ready to buy or sell?
follow this advice

BUYERS

- *Be prepared:* Meet with a lender to get pre-approved for a mortgage (or have proof of funds if paying cash) so the seller knows you're qualified . Be ready to act quickly!

SELLERS

- *Price correctly:* Even though it's a seller's market, setting an accurate list price is still key. This ultimately generates more interest among buyers and can lead to the highest sales price.

“ ”

Sissy makes navigating the world of real estate simple and stress free. It's not often you find someone who is so good at listening to a customer's needs. She is quick to act, knows her stuff and goes the extra mile to get the answers and referrals you need to complete the entire home buying process. I have not met another real estate agent like her; a genuine partner.
