

Extracurricular Code of Conduct

STATEMENT OF PHILOSOPHY

New Trier High School is committed to promoting the ideals of sportsmanship, integrity, and healthy living for all students. Students participating in the extracurricular program have a responsibility to lead through their example. The Extracurricular Code (the "Code") promotes the development of that character and the maintenance of the healthy lifestyle necessary for students to pursue their goals. The Code seeks to foster the health, safety, and welfare of the participants and promotes high standards of conduct, citizenship, and good decision-making.

The Code applies to students who participate in voluntary, school-sponsored activities that are not part of an academic class. New Trier offers an extensive and diverse extracurricular program that includes athletic and non-athletic interscholastic teams and competitions, clubs, performing arts, and leadership positions. The Code is in effect 24 hours a day, seven days a week, 365 days per year. The Code applies to student conduct on and off campus, even when the conduct is not directly connected to NTHS.

ADMINISTRATION & AVAILABILITY OF CODE

The Code is administered by the Athletic Director, the Athletic Coordinator, the Student Activities Coordinators, and the Performing Arts Coordinator (referred to as "Extracurricular Leaders"), and/or their designees with the support of staff and administrators at New Trier. All students and parents are expected to have read the Code prior to participation in the extracurricular program; the Code is published in the Student Guidebook and on New Trier's website. Participation in the Extracurricular Program constitutes a student's understanding of, and agreement to abide by, the provisions of the Code. An appeal of an Extracurricular Code violation may be made to the principal at the respective campus. Consequences outlined by the Code may be in addition to those students receive for the same disciplinary infraction from an Adviser Chair or administrator.

PARTICIPATION IN THE EXTRACURRICULAR PROGRAM IS A PRIVILEGE

Participation in the extracurricular program is a privilege and not a right. Participants become visible representatives of NTHS, their fellow students, and the community; therefore they have additional responsibilities to be exemplars and comply with the Code. NTHS has the authority to restrict or revoke a student's privilege to participate in the extracurricular program.

PARTICIPANT PLEDGE AND PROHIBITED CONDUCT

Students agree to abide by the following pledge:

Participation in extracurricular activities is an honor and a privilege. As a visible representative of the school and community, I have the obligation and responsibility to represent myself, my family, my activity, my school, and my community in an exemplary manner. I understand that if I violate the express or implied terms of the Extracurricular Code, or if I engage in any behavior that negatively affects my activity, fellow students, school, or community, I will be subject to disciplinary measures that may include the immediate revocation of my privilege to participate in the extracurricular program.

I further understand that conduct prohibited under this Code includes, but is not limited to the following:

- The purchase, possession, delivery, distribution, or use of tobacco or nicotine products including e-cigarettes and vaporizers;
- The purchase, possession, delivery, distribution, or being under the influence of alcohol, a controlled substance, other illegal mood-altering and/or performance-enhancing drugs or chemicals, or any substance used to

obtain an altered mental state or "high";

- The purchase, possession, delivery, or distribution of look-alike drugs, drug paraphernalia, and alcohol containers;
- Violations of the Academic Integrity Policy;
- Hosting or organizing a gathering or providing a venue where minors and any of the above-referenced prohibited substances are present;
- Assault or battery;
- Bullying and intimidation, hazing, and harassment of a written, verbal, physical, or sexual nature, including but not limited to hand written, electronic, or spoken words;
- Vandalism, theft, property damage;
- Insubordination or gross disobedience;
- Violation of the Acceptable Use Regulations; and
- Unsportsmanlike conduct or behavior unbecoming of a New Trier student.

REPORTS OF VIOLATIONS AND DETERMINATION OF CONSEQUENCES

Reports of possible Code violations may come from school faculty and staff members, a confession of the offender, other students, parents, and other outside sources including photographs, social networking websites, and electronic applications.

Attending parties or gatherings where illegal substances or tobacco products may be present is strongly discouraged. The District's concern for the health and overall welfare of its students is at issue along with the potential for problems that may face the District's students in such situations. The District encourages its students to make responsible choices. However, the mere presence at such parties and gatherings will not result in a violation of the code of conduct.

VIOLATIONS DURING THE SCHOOL DAY OR AT SCHOOL EVENTS

When reports are received of a possible Code violation during the school day or at a school event, the extracurricular leader will meet with the appropriate Adviser Chair to gather information about the incident. The student will then meet with the extracurricular leader to discuss the incident. The extracurricular leader will then determine if there has been a violation of the Code and the appropriate consequence. The extracurricular leader will contact that student's parent or guardian to review the incident and possible consequence. The parent or guardian will also receive a written copy of the violation notice.

VIOLATIONS OUTSIDE OF THE SCHOOL DAY

When reports are received of a possible Code violation occurring outside of the school day and not at a school event, the extracurricular leader will interview the student to determine if a violation has occurred. If necessary, the extracurricular leader may interview additional students or staff members to gather information related to the possible Code violation. The extracurricular leader will then determine if a Code violation has occurred and the appropriate consequence. The extracurricular leader will contact the parent or guardian to review the violation and possible consequence. The parent or guardian will also receive a written copy of the violation notice.

VOLUNTARY ADMISSION BY STUDENT

Voluntary admission must occur prior to any school personnel or police being aware of the incident and the student's involvement. Students who wish to offer a voluntary admission should contact a coach, sponsor, director, or the appropriate extracurricular leader. Voluntary admission of a first offense Code violation related to alcohol and/or drugs will not result in loss of extracurricular participation, and consequences will be held in abeyance provided the student does not seek voluntary admission of an offense for which they have been arrested or cited by law enforcement officials and the student cooperates with the recommended plan. Students will only be excused from penalty for

Extracurricular Code of Conduct

voluntary admissions on one occasion. The students will be referred to the SAP program coordinator for consultation if the violation involves the use of alcohol or drugs.

APPEAL PROCESS

Students who wish to appeal a Code violation determination should contact the principal at the appropriate campus. The principal will meet with the student and their parent or guardian to discuss the violation. During the appeal process, the principal will consider if the decision was reached in accordance with school rules, if the decision was consistent with precedent for similar violations, and if there is any extenuating circumstance that might alter the determination of a violation and the severity of the consequence.

CONSEQUENCES

Facts, circumstances, and disciplinary measures are analyzed on a case-by-case basis. The Code provides a minimum standard of conduct and guidance when addressing certain behaviors. It does not and cannot enumerate each and every situation or conduct for which discipline may be imposed. The consequences listed below will be applied to most violations. However, in cases of severe violations of the Code, consequences in excess of those listed below, including removal from the activity, may be applied.

- Code violations may also result in loss of privileges in celebratory functions, recognition dinners, scholarships, and/or awards.

Extracurricular Code of Conduct

GUIDELINES FOR OUT OF SCHOOL SUSPENSIONS AND CONSEQUENCES

In addition to the consequences imposed by the Athletic Director, the Athletic Coordinator, or the Coordinators of Student Activities and Performing Arts, students suspended from school are not permitted to participate in practices, rehearsals, meetings, contests, or performances during the period of the out of school suspension. Students may not participate in a practice, rehearsal, contest, or performance if it conflicts with an assigned school penalty (e.g., detention, Saturday School, etc.).

OPTIONS RELATED TO CONSEQUENCES FOR DRUG/ALCOHOL VIOLATIONS

A student who violates the Extracurricular Code regarding drug/alcohol use will be suspended from extracurricular participation and will be removed from leadership positions. Students in violation of the drug/alcohol policy are required to meet with the Student Assistance Program Coordinator within 10 days of the suspension before returning to the activity.

Students with a first violation of the drug/alcohol policy will be offered the option to reduce the length of suspension by participating in a recognized evidence-based substance abuse awareness program. These programs are designed to provide education to the student and parents, to encourage the student to evaluate the consequences of drug and alcohol abuse on his/her behavior, and to provide support and referral services to students and their families. Families will receive information on approved substance abuse awareness programs from the Student Assistant Program Coordinator.

If a student who violated the substance abuse policy chooses to enroll in an approved substance abuse awareness program, a parent/guardian must notify the Student Assistance Coordinator of the decision to enroll within 10 days of the suspension. Upon commencement in an approved program, the remaining days of suspension are reduced. Participation in the program is voluntary, and any costs associated with the program are the family's responsibility.

Additional violations of the Extracurricular Code regarding drug/alcohol violations will result in the consequences outlined in the Consequences section of the Code. Students returning from a long-term suspension from an extracurricular activity must meet with the Student Assistance Program Coordinator before returning to their activity.
