

Dear New Trier Families,

As a reminder, this **Friday, April 22 and Monday, April 25** are paired early dismissal and late arrival days. The class schedules for each campus on each day, along with food service times and information on bus transportation, are included below. While the cafeterias will have grab and go items, students may want to consider bringing their own snacks or breakfast/lunch due to the shortened 20-minute lunch periods.

See more information below about food service, shuttle, and schedules.

Thank you,

Denise Dubravec

Principal, Winnetka Campus
