

Dear Parents/Guardians and Members of the Class of 2022,

As we enter the last week of school for the Class of 2022, it is time to look ahead to our closing activities and expectations. This past weekend, 1500 of our students celebrated Prom in downtown Chicago for the first time in two years. Our students were incredibly excited and appreciative.

This year's seniors have been an absolute pleasure to work with and have demonstrated great maturity and dignity over the past four years. As seniors enjoy the last week of school we are confident students will continue to make good decisions as they conclude their senior year.

We do feel compelled to remind families and students of appropriate behavior and celebrations in the two weeks leading to commencement. Students may consider participating in pranks that are dangerous or cause disruption of the school day. **Please help us remind your student that this type of behavior may result in the loss of commencement privileges, including participation in the commencement ceremony and party.** This is a consequence that affects not just students, but their entire families.

The last full day of school attendance for seniors is **Thursday, May 19**, which will be a regular day for sophomores, juniors and seniors. While the last day is exciting, it is important for all students to contribute to a safe learning environment in and around the school. Although seniors will leave at the conclusion of their day, they should be reminded that school rules apply until commencement.

For students who have outstanding fees or discipline consequences, these items must be taken care of by May 19. Please contact the Business Office for more information at 847-784-3409 if you have outstanding fees. Commencement tickets may be withheld if these items are not resolved.

Seniors will return to campus **Monday, May 23, at 10:30 a.m.** for breakfast with their adviser room and to pick up their yearbooks and 8 commencement tickets. Students will meet on the track off Essex Road. If it is raining, students will meet in G108/109 and enter the school through the Winnetka Ave. entrance S1 to access the gyms. Seniors will leave campus at 11:30 a.m. and will not be allowed to return to the building.

The Class of 2022 has much to celebrate. We hope our graduates enjoy their final week of school. <https://www.newtrier.k12.il.us/commencement>

Sincerely,

Denise Dubravec
