

Class of 2027 Enrollment and Placement Test Information

1) Student Enrollment

New Trier High School will use the PowerSchool student enrollment system for the Class of 2027. In December, you will receive an email with enrollment information that enables you to make a PowerSchool account and establish demographic and emergency information for your student. New Trier must receive this information in order to confirm your student's enrollment and to ensure that your family will receive future communications. A student profile form (completed by parents/guardian) will also be included with PowerSchool enrollment.

- If your student does *not* plan to attend New Trier, please email the registrar at registrar@nths.net
- If your student is undecided about attending New Trier, it is still important to complete their PowerSchool Enrollment in order to receive future mailings from New Trier.

2) Placement Test Information

The New Trier Placement Exam will be administered on the dates below **at the Northfield Campus.**

- We encourage families to carpool to minimize traffic.
- Students can enter the campus at several entrances: *between the D Bldg & Cornog Auditorium, the F entrance and between the B and C buildings.*
- Room assignments for testing will be posted outside the A building on the morning of the exam.
- If you received this email your student is **automatically registered for the placement test.**
- If you cannot make your assigned date, contact Alan Pavlik at pavlika@nths.net.

The testing period will begin with a 20-minute writing assessment and self-evaluation. We will then administer the Educational Records Bureau's "Comprehensive Testing Program 5" (CTP5), which consists of five sections: Verbal Reasoning, Reading Comprehension, Quantitative Reasoning, Mathematics Part 1, and Mathematics Part 2.
