

Dear New Trier Families,

New Trier High School offers bus transportation services through Alltown Bus Service, Inc. Before registering, we encourage you to visit our Transportation website, please ([click here](#)) to review all available options including Yellow Bus Service, PACE Bus Service, METRA Rail, and campus shuttle buses to determine the best choice for your student.

If you wish to register your student for yellow bus service for the 2025-2026 school year, please [CLICK HERE](#) The deadline to register is **Tuesday, July 8, 2025**.

Please review the important information below:

- Bus routes will be created after the July 8 deadline.
- Registrations submitted after July 8 will be accepted only **if space is available** on existing routes.
- **Parents of rising sophomores: Please review the East Campus busing details on the Transportation website. Bus routes for the Winnetka Campus differ from those at the Northfield Campus.**
- If space is not available, students will be placed on a **waitlist** for the appropriate route. Requests will be processed in the order received.
- Routes are based on the locations of those who register. Door-to-door service is not available—students may be assigned a neutral stop within a 3–6-minute walk from home.
- Specific bus stop assignments will be emailed in mid-August.
- Students will receive their school ID, which includes bus information, during the second week of school

Thank you,

Frank Lamberti
