

**New Trier Health Services Welcomes Class of 2027**

**Every freshman student must present a [Certificate of Child Health Examination](#) (school physical) before starting any academic or athletic activity at New Trier Township High School (NTHS).**

Guidelines for the school physical:

- 1- Dated on or after August 17, 2022
- 2- Include all required immunizations
- 3- **Parents** thoroughly complete and sign the Health History (top section of the second/back page)
  - \***Include:** 1) allergies, medications, and chronic medical conditions
  - 2) *Emergency action plan* for allergies, asthma, seizures, and diabetes
- 4- Must be submitted **before July 29, 2023, or prior to any activity at NTHS**
- 5- October 16<sup>th</sup>, 2023 is **exclusion day** for students not in compliance

**Health forms are available at:**

<https://www.newtrier.k12.il.us/studenthealth>

[Certificate of Child Health Examination](#): The Illinois State Board of Education (ISBE) requires this form for all students entering 9<sup>th</sup> grade. It is a required exam to be completed by physician and parents. Please note any health conditions, disabilities and medications taken on a regular basis

[School Dental Examination Form](#): This form must be on file by May 15<sup>th</sup>, 2023. All students in grade 9 are required to have a dental exam on file. School dental examinations must have been completed within 18 months prior to the May 15 deadline. A dental form dated after November 15<sup>th</sup>, 2022 fulfills ISBE requirements.

[New Trier Medication Authorization Form](#): Any medications administered or carried at school require both **medical provider and parent** signatures, including over-the-counter medications. Students may carry Epinephrine, Benadryl, insulin, and inhalers with a signed medication authorization form on file. Generic Tylenol, Advil, and Benadryl are stocked in Health Services and can be administered with this written consent.

*Please visit <https://www.newtrier.k12.il.us/> for up-to-date information about submitting health forms*
