

Instructions for Scheduling Your Initial Post-High School Counseling Meeting

New Trier's post-high school counseling (PHSC) office conducts initial meetings with juniors throughout the second semester. Thereafter, students will be able to meet regularly with their counselor. The initiative and follow-through of the student will guide the experience. While some students are ready to have an in-depth conversation about post-high school plans, others benefit from waiting until later in the spring. Regardless of the meeting timeline, New Trier counselors are here to support students on their journey.

Key points to consider when scheduling:

- Parent/guardian attendance at the initial meeting is encouraged. *Follow-up meetings are student-only.*
 - Meetings will be conducted in person in room 201.
 - Appointments are forty minutes and occur during the school day.
 - Meetings should only be scheduled during a free or lunch period. **Students may NOT miss any class for PHSC appointments.** Appointments scheduled during a class period will be canceled.
-

Information required to schedule your initial meeting:

1. Student name, ID number, and email address; name of student's adviser.
2. Names and contact information for any parent/guardian who will be in attendance.
3. Available free period(s) of student. It's important that you use the calendar on the next page to verify if the day you are choosing is a blue, green or anchor day, as many weeks do not follow the typical pattern.
4. Potential dates and times that parent(s)/guardian(s) are available, if attending.

To schedule via the online Calendly platform (preferred method) please click your counselor's name below.
