

# ON THE JUNIOR AGENDA:

## Counselor visits to advisory 2nd quarter

Throughout 2nd Quarter, the post-high school counselors will be visiting advisories to share how we will collaborate with students to navigate future plans, discussing key factors to consider along the way. We will demonstrate how to access and use Naviance, an important online resource, as well as how to **complete a self-evaluation survey, due January 31st**. Students: watch this video ([click here](#)) on how to access and complete the survey.

## Complete the Naviance registration process

Naviance is a personalized, web-based tool to help explore college, scholarship, and career opportunities. Parents and students still in need of an account should email [phsc@nth.s.net](mailto:phsc@nth.s.net) to request access. Please provide student name, and NT ID#. It is important that parents and students maintain separate accounts to be able to access the appropriate resources, forms and surveys.

## In case you missed it!

If you missed the **Junior Post-High School Planning Night** in November, [click here](#) for the slides or [here](#) to view the recording. Both are posted on Canvas and our PHSC website under the Juniors section. Topics included: counselor, student, and parent roles; college admissions overview; considerations for a college search; standardized testing, anticipated timelines, and an overview of New Trier's programs and services.

## Preparing for the ACT or SAT?

If you have not already done so, we would *strongly encourage* students create accounts with [ACT](#) and [CollegeBoard](#) (SAT) using your personal, non-school email address. Doing so now will streamline your ability to access future score reports and register for exams. To learn more about the test prep options available through New Trier, [click here](#).

## Get ready for the initial appointment

Students need to complete the previously mentioned Naviance self-evaluation survey *thoughtfully and thoroughly*. **We also ask parents/guardians complete this Reflection Form ([click here](#)) by January 31st**. These forms provide meaningful insights and background for your counselor in supporting your post-secondary search and writing your letter of recommendation. Instructions for how to schedule the initial appointment will be shared in January.
