Overview

For the investment reporting, we are presenting reports generated directly from the trust institutions rather than a manual spreadsheet. Short term investments and checking account transactions occur with PMA/BMO Harris and long term investments are held with Fifth Third Securities. This strengthens internal controls by providing source documents about our investments to the Board of Education.

Historical Cash Balances

Cash balances include all District funds except for the NIHIP surplus and the ESAA Project; prior fiscal years also excluded Winnetka Campus Project. The FY 23 cash balances reflect the late Cook Co. tax payments.
