## **INTERPRETING ROOM NUMBERS**

If your classroom has the letter “W” located in front of a room number, this indicates the space is in the west side of the campus. If your classroom has the letter “E” located in front of a room number, this indicates the space is in the east side of the campus . The first number indicates the floor. For example, W333: this room is located on the west side, third floor. If your classroom has numbers only, this indicates the room is in the existing building located in the middle of the campus. The first number indicates the floor. For example, 333: this room is in the existing building, third floor.

## **LOWER-LEVEL ROOMS**

Rooms beginning with a “0”, single or double-digit rooms are in the lower level of the existing building (non-renovated space). Rooms on the lower level of the new west addition begin with a “W”.

## **GYMNASIUM SPACES**

All gyms on campus have the letter “E” located in front of the gym room number, this indicates the that space is on the east side of the building.
