Re: 2026-2027 Calendar
Date: July 14, 2025

This month, I am presenting the proposed start date, end date, and holidays for the 2026-2027 school year for approval by the Board of Education. At this time, it is important for us to approve the most significant dates for next school year to facilitate planning for families and staff around summer and holiday travel. Creating the calendar is a collaborative process with an internal committee and consultation with our sender school Superintendents. The calendar is shown below and will be posted on the website after approval. I will present a full calendar at a future Board of Education meeting.
