

Grants Funded by the NTFAA for the 2022-23 School Year

1st Semester

- Art: Grants for visiting artists in ceramics (Raku workshop with Carl Mankert), glass (advanced glass technique with John Miller), and sculpture (felted figuration for stop motion animation with Kiyoshi Mino).
- Dance: Grants for 10 visiting dancers to work with all dance levels in a variety of styles including HipHop, Modern, Korean, Salsa and West African dance. One grant to support the Dance Lab 1 and 2 showcase.
- Debate: Grant to support the Trevian Invitational Debate Tournament.
- Theatre: Grant for artist Nina Lynn to work with students to create large scale puppets for the stage.
- Music: Grants to support college audition workshop, choral master class (with Julio Morales and Sherryl Sewepagaham), and the New York Symphony and Chamber Orchestra Tours.
