We are dedicated to protecting our employees' information. For this reason, we use **Verifent** to confirm verification of employment and/or verification of income (VOE/VOI) requests are legitimate, and a valid permissible purpose exists as defined by the **Fair Credit Reporting Act** (FCRA). Verifiers seeking employment and/or income information for our employee's must submit VOE/VOI requests through Verifent.

To Submit a Request:
1. Log in at https://www.verifent.com/log-in. Please note that new Verifent users will need to register and create an account before proceeding.
2. When prompted, enter our unique organization code: DF8341.
3. Please be prepared to provide the employee's date of birth and last four digits of the Social Security Number.

For additional information on this process, please visit **Verifent**.
